

Minnesota Transfer Curriculum Package

The Minnesota Transfer Curriculum is the means by which a student transfers a complete package of lower division general education from one MnSCU institution to another. At Minnesota State College – Southeast Technical this is accomplished by a minimum of 40 credits with course requirements in each of the 10 goal areas as designated below. If a course is eligible for multiple goals, the additional goal(s) is listed in parenthesis, however, credits for any course may count only once towards the minimum 40 credits. Students must maintain a minimum cumulative G.P.A. of 2.0 in these courses to transfer this package.

1. **Written and Oral Communications** – (6 – 9 credits – to include ENGL2515 & COMM2518)

This is a web service that enables students and advisors to access official, consistent and accurate transfer information.

MnTransfer is a collaborative effort among:

Minnesota State Colleges and Universities (MnSCU)

Minnesota Private Colleges

University of Minnesota

Beginning January 1, 2002, all Minnesota Transfer Curriculum courses offered by MnSCU institutions must transfer within MnSCU into the goal areas as designated by the original institution.
