How to Change to P/NC Grade Method (Spring Semester 2020)

Log in to eServices, select Courses and Registration and then View/Modify Schedule. This will display the courses for which you are currently registered.

To change the grading method, select the pencil icon. You will then be required to read and acknowledge a warning message regarding the potential impacts.

Once the checkbox is selected, you will be able to click the I Agree button and the grade change display will appear. Enter your password and click Submit to confirm the change.
