**MSC SOUTHEAST COVID-19 DECISION MAKING FLOW CHART**

1. **Do you have symptoms of COVID-19?**
   - **YES**
     - Regardless of your vaccination status:
       - Stay off campus*  
       - Get tested  
       - Await test results before coming back.
   - **NO**

2. **Have you received a positive COVID-19 test?**
   - **YES**
     - Regardless of your vaccination status:
       - Isolate off campus*  
       - **Students:** Notify your instructor or the Vice President of Student Affairs  
       - **Employees:** Notify Human Resources  
       - Do not return until cleared by your medical provider to do so.
   - **NO**

3. **Have you been exposed* to someone who has tested positive for COVID-19?**
   - **YES**
     - Get tested immediately. If negative, get tested again 3-5 days after exposure.
     - **You must quarantine off campus for 14 days regardless of your test results.**
     - If you are living with someone who has tested positive and have ongoing exposure, then you must quarantine for 14 days after that person’s symptoms are resolved.
     - If you develop symptoms, see #1.
   - **NO**

*Students: If you must stay off campus, notify your instructors that you will be absent. Work with your instructors to try to stay on track with completing your coursework while absent.

▲ Exposed = Been within 6 feet of a person for at least 15 minutes (cumulative in a 24 hour period), OR Had direct contact with a person’s mucus or saliva, OR Been contacted by public health and told you were in close contact with someone known to have COVID-19.
