STUDENT COVID-19 DECISION MAKING FLOW CHART
Take the COVID-19 Self-Assessment every day before coming to campus.

1. Do you have symptoms of COVID-19?
   - YES: Stay off campus*, seek medical guidance, get tested.
   - NO: Are you being tested for COVID-19 due to exposure and/or symptoms?

2. Are you being tested for COVID-19 due to exposure and/or symptoms?
   - YES: Have you received a positive COVID-19 test?
     - YES: Stay off campus* and self-isolate. Refer to your medical practitioner for guidance on when to return. If you have tested positive, notify a college official immediately — your instructor, dean, or vice president.
     - NO: If you test negative, have no symptoms, and can clear all of the questions on the COVID-19 Self-Assessment, you can return to campus.
   - NO: Have you been exposed to someone who has tested positive for COVID-19?

3. Have you been exposed to someone who has tested positive for COVID-19?
   - YES: Stay off campus* 14 days from last contact, seek medical guidance.
   - NO: Now complete the COVID-19 Self Assessment.

*If you must stay off campus, notify your instructors that you will be absent because you did not pass the screening. Work with your instructors to try to stay on track with completing your coursework while absent.

Exposure = Been within 6 feet of a person for at least 15 minutes (cumulative in a 24 hour period), OR Had direct contact with a person’s mucus or saliva, OR Been contacted by public health and told you were in close contact with someone known to have COVID-19.
