STUDENT COVID-19 DECISION MAKING FLOW CHART
Take the COVID-19 Self-Assessment every day before coming to campus.

- **Do you have symptoms of COVID-19?**
  - **NO**
    - **Are you being tested for COVID-19?**
      - **NO**
        - **Have you been exposed\* to someone who is being tested for COVID-19?**
          - **NO**
            - **Have you been exposed\* to someone who has tested positive for COVID-19?**
              - **NO**
                - **Stay off campus\* 14 days from last contact, seek medical guidance.**
              - **YES**
                - **Stay off campus\* 14 days from last contact, seek medical guidance.**
            - **YES**
              - **Stay off campus\* until test results received.**
          - **YES**
            - **Stay off campus\* and self-isolate. Refer to your medical practitioner for guidance on when to return. If you have tested positive, notify a college official immediately — your instructor, dean, or vice president.**
        - **YES**
          - **Have you received a positive COVID-19 test?**
            - **NO**
              - **If you test negative, have no symptoms, and can clear all of the questions on the COVID-19 Self-Assessment, you can return to campus.**
            - **YES**
              - **Stay off campus\* and self-isolate. Refer to your medical practitioner for guidance on when to return. If you have tested positive, notify a college official immediately — your instructor, dean, or vice president.**
    - **YES**
      - **Stay off campus\*, seek medical guidance, get tested.**
- **YES**
  - **Stay off campus\*, seek medical guidance, get tested.**

**Now complete the COVID-19 Self Assessment.**
If you pass the online Self-Assessment, you are cleared to come to campus.

\*Exposed = Been within 6 feet of a person for at least 15 minutes, or had direct contact with a person’s mucus or saliva, or been contacted by public health and told you were in close contact with someone known to have COVID-19.
