

Medical Laboratory Technician (MLT) Program Admission Process and Checklist

To begin the admissions process, the following items will need to be completed. All documentation must be received by **August 15, 2020** to be considered for the following fall semester. **Applicants must return the application form and a \$20.00 application fee to the Admissions Office. All other items listed below should be returned in one envelope to the Allied Health Office. Official transcript(s) must be sent directly from the previous institution(s) to the Registrar's Office.**

Applicants who have submitted a complete application by the deadline will be considered for acceptance. The MLT Program Acceptance Committee will convene to review applications and make selections for admission to the program. A letter will be sent to all applicants notifying them of their status approximately 1 week after the deadline. Applications will not be kept on file.

Please note: The MLT program is available on the Winona Campus only.

Medical Laboratory Technician Program Criminal Background Study Form (Pages 8-9)

Minnesota law **requires** that any person who provides services that involve direct contact with patients and residents at a health care facility licensed by the Minnesota Department of Health have a criminal background study. An individual who is disqualified from having direct patient contact as a result of the background study **and whose disqualification is not set aside by the Commissioner of Health**, will not be permitted to participate in a clinical placement in a Minnesota licensed health care facility.

The clinical experience is an integral and essential part of our program. Minnesota law requires health care facilities licensed by the Minnesota Department of Health to check or have knowledge of a student's criminal background and could use the results to refuse to accept a student's placement at its facility. **If the student refuses to participate in the background study, the clinical facility will refuse to accept the student.** We cannot guarantee an alternative facility placement. If no alternative facility placement is available, the student will be unable to fulfill the requirement to successfully complete the program and may be terminated from the program.

Minnesota State College Southeast is in compliance with Minnesota law which requires criminal background studies be conducted for all students prior to acceptance in the program, as well as annually while the student is in a clinical experience.

THIS IS A LAW DETERMINED BY THE STATE OF MINNESOTA. IT IS NOT A POLICY DETERMINED BY MINNESOTA STATE COLLEGE SOUTHEAST, HOWEVER; OUR COLLEGE MUST COMPLY WITH THE STATE LAW.

IN ORDER TO PROCESS YOUR CRIMINAL BACKGROUND STUDY, the college requires the following information:
