

Accounting Transfer Pathway

Winona Campus and 100% Online

OVERVIEW

A degree in accounting can lead to a rewarding career in one of the nation's fastest growing professions.

If you're planning to advance to a high level position in the field, the Transfer Pathway Associate of Science degree is a great first step. This 2-year degree is specifically designed for students who want to begin college at Southeast, then transfer to a Minnesota State university to complete a bachelor's degree.

Minnesota State College Southeast's educational approach is a blend of theory and practice, providing a solid foundation for your career. Southeast offers a practical, personal approach to learning the principles of accounting and making the best use of a variety of popular accounting software packages.

Custom tailored for you

- You can complete the program 100% online or take all or part of your classes on campus in Winona.
- You can start in either the fall or spring semester.
- You can attend classes on a full-time or part-time basis.
