

Political Science Transfer Pathway

Red Wing, Winona, Online

OVERVIEW

Are you interested in the important political issues of the world today? Do you want to better understand how governments operate? Are you curious about how and why people make political choices and the consequences of those choices?

At Minnesota State College Southeast in Winona, Red Wing, or online, you'll be able to explore these important issues while earning a 2-year degree designed for transfer to any Minnesota State university.

As a Political Science Transfer Pathway student, you will learn about:

- Systems of government and institutions
- Political behavior and culture
- Media, interest groups, non-governmental organizations
- Citizen rights and liberties
- Elections and political parties
- Political responses to modern problems
- Political values and ideals

After graduating with the Political Science Transfer Pathway Associate of Arts degree, you can transfer in as a junior and complete your bachelor's degree by earning 60 additional credits at one of the seven Minnesota State universities [admission requirements, including GPA, apply].

The Political Science Transfer Pathway AA degree is the foundation of a well-rounded education with a range of coursework in the liberal arts and sciences. It provides the basis for understanding and participating in political life as a citizen and employment or involvement with: government, education, politics, business, legal fields, interest groups, media, international and community organizations.

MAJORS WITHIN
