

Business Transfer Pathway

Winona Campus and Online

OVERVIEW

The Business Transfer Pathway (AS) will start you on the route to a 4-year degree.

A successful business career relies on competitive edge, and Southeast has developed the curriculum to help achieve that goal. At Minnesota State College Southeast, the Business Transfer Pathway Associate of Science (AS) Degree is specifically designed for students who plan to continue their education in a business related field, such as Business Administration, Management, Marketing, Accounting, Human Resources, and International Business.

A wide variety of employment opportunities are available for skilled, capable, and dependable business professionals. Employers are looking qualified candidates with excellent communication, organization, and human relations skills and enthusiasm for the job and organization. The courses provide a global perspective and are integrated with the latest technology. In this program, you will gain knowledge and explore a wide variety of industries, getting the background and understanding to be a successful business professional.

With a focus on providing our students flexible delivery options, the Business Transfer Pathway (AS) at Southeast can be completed entirely online. You may enroll full or part-time, beginning in either the fall or spring semester.
